VAN PRODUCTIE TOT LEVERING, ONDER ÉÉN DAK

U ontwerpt. Wij bouwen het, precies volgens tekening.

Bij Avi Meubilair voorzien wij in ons eigen productiebedrijf, volgens de hoogste kwaliteitsnormen, in de behoefte aan vast en los meubilair van architectonische projecten. Voor restaurants, cafés, kantoren, hotels en woningen bieden wij bij elk project een eigen, specifieke kijk.

Naast het produceren van elk meubelstuk precies zoals omschreven, treedt Avi Meubilair in elk project op als een oplossingspartner die de verantwoordelijkheid volledig deelt. Daarom koestert het bedrijf het vertrouwen dat het sinds 1995 heeft opgebouwd, en bouwt het dat graag verder uit.
